Temporary Test and Construction Electrical Connection

Date: ____/____/____

Owner/Contractor/Agent: _____

Address: _____

As per request, this date, I am authorizing the electrical connection to your structure for TEST and CONSTRUCTION ONLY, in order to energize the permanent service of the structure.

This structure cannot be used for any purpose until a Certificate of Compliance and/or Certificate of Occupancy has been issued.

Requirements for test and construction power: All devices installed, panel made up and labeled, loops and runs must have wire nuts and be secured. This test and construction power is limited to 60 days and can be renewed for an additional 30 days for a fee of \$50.00.

Any violation of this agreement shall cause the electrical utilities to be disconnected, in addition to any other civil penalties as set out in North Carolina General Statute §160A-175. Enforcement of ordinances.

Electrical foreman and job superintendent will be responsible for keeping all electrical and equipment rooms locked and panel covers on at all times except when the responsible party is working in these areas.

I AGREE TO THE ABOVE STATEMENT.
