## Great Perch Search

Small Town. Deep Roots. Big Fun.

### Are you ready for a SCAVENGER HUNT?

Ten OWLS have taken up residence along our historic Forest City Main Street!

Created as part of Sam Roller's high school Senior Project, the Owl family perches on buildings or areas of significance in Forest City's history.

Using clues to search for each owl makes a stroll along Main Street extra fun for kids of all ages.

**Try to find all 10 OWLS!  
Happy Hunting!**

## Great Perch Search

*Use these clues to find all 10 OWLS perched Downtown Forest City!*

 **Dewey Owl** is perched where wise owls look and readers of all ages can read and borrow books.

 **Charlie Owl** is perched on Powell Street at the Hall. He looks over the town, its people and all.

 **Clive Owl** is perched near a painted cache of clues. Hunt for 70 hidden objects - or find just a few.

 **George Owl** is perched where side effects are sweet. For breakfast or lunch, over the counter, friends meet.

 **Doc Owl** is perched near crosses in the brick - of a place that once was used to treat people who were sick.

 **James Owl** is perched where he can watch the smoke rise - from a stone landmark of a big fire in 1855.

 **Cecil Owl** is perched near a safe place. Only time will tell about this next space.

 **Penny Owl** is perched to watch the center of town flow. The change she has seen, nobody knows.

 **Bruce Owl** is perched on one of the oldest buildings around. Since 1905, its corner door can be found.

 **Florence Owl** is perched just a stroll down the street - parked behind where people splash and meet.
